

CD Player Belt Pattern - Pouch Front

Printed from <http://www.calliejoscloset.com>

Cut one from the cotton fabric, one from the fleece fabric and one from the fusible batting.

The dashed line indicates a 1/4" seam allowance, the thick line indicates bias tape placement, and the + indicates magnetic closure placement.

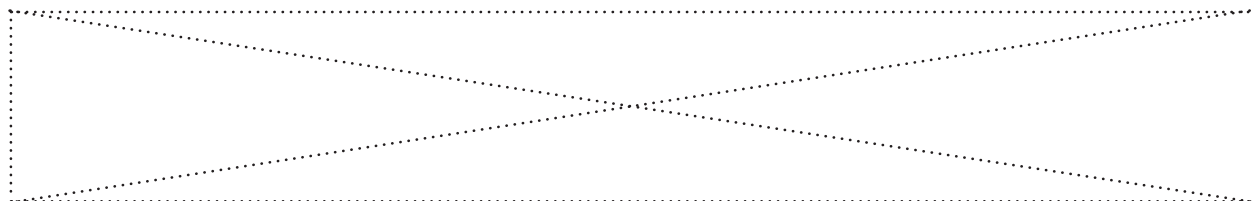

This square
should be
1 in x 1 in for
proper scale

This square should be 1 in x 1 in for proper scale

Match this piece at the arrows to the top half of the pattern piece on page 2

CD Player Belt Pattern - Pouch Back

Printed from <http://www.calliejoscloset.com>

Cut one from the cotton fabric*, one from the fleece fabric and one from the fusible batting. *If the cotton fabric has a print, cut this piece upside down so the pattern on the pouch flap will be right side up when the pouch is closed.

The dashed line indicates a 1/4" seam allowance, the thick line indicates bias tape placement, the dotted line indicates strap placement, and the + indicates magnetic closure placement.

This square
should be
1 in x 1 in for
proper scale
